

We are stepping up our game  
in fund transfer services  
for greater customer convenience!

# Introducing **PESONet!**

PESONet is a new electronic funds transfer service that enables customers of participating banks like DBP, e-money issuers or mobile money operators to transfer funds in Philippine Peso currency to another customer of other participating banks, e-money issuers, or mobile money operators in the Philippines.

**Spread the word  
and let our DBP clients  
experience enhanced  
fund transfer  
convenience  
through PESONet!**

PESONet allows our DBP clients to save time, energy, and manpower costs. It is the solution to all their payment needs:

- Supplier Payments
- Payroll
- Loan and Dividend Payouts
- Government Payments

To know more about PESONet, please click on
